

GLAM BAG PACKAGING INFO

Below are *suggestions* of additional samples you can include in your Glam Bags! Our eyeliner and lip liner samples only come in 3 shades. Your Starter Kit comes with 2 shades of lip gloss so I stuck with those. You can definitely change up with similar shades if you choose to invest in those! Be sure to place the applicators & mascara wand “inside” the color card so the fuzzies from the cotton ball don’t get on them. Package everything in a sandwich size Ziploc bag.
