

You're invited to a special Mary Kay
Pajama Party!

It's totally a girl thing!

Come in your favorite pj's, if you like, & slippers, for sure, for a fun, giggly girl's-night-out! You will experience how to make the most of your **beauty sleep** using Mary Kay skin care and nighttime supplements. This includes our BRAND NEW anti-aging, collagen-activating *TimeWise Night Restore & Recover Complex*. We'll get your face ready to tuck into bed and when you lay your head on your pillow, you'll have super-smooth skin and a smile on your pretty face.

It's "Sweet Dreams" for your skin!

*We're also giving a prize for the cutest or most outrageous slippers,
so don't be shy!*

The cookies and milk, popcorn, great specials, sweet pampering, bedtime story, and pink dreams are on us... so come join the fun!
